

## *Dear Student, Parents, Guardians.*

*Welcome to NCCS Higher Secondary School. It is centrally located at the Paknajol, Kathmandu is affiliated to the Higher Secondary Education Board (HSEB) for 10+2 management stream with the aim of achieving excellence.*

*Our fundamental purpose is to provide outstanding educational programs in a safe, well equipped, good teaching and learning in a peaceful environment. Throughout the education period at the school regular follow-up of the student's progress will be observed. On top of it, individual attention will also be given & provide them the opportunities to explore, be challenged and connected with caring & dedicated educators.*

*We at the school, are blessed with latest and wonderful facilities however it is what takes place within these walls; in the classroom & throughout the complex that makes NCCS a special place. We strive to continue to develop new programs & incorporate new techniques that will better prepare our students for the country & abroad.*

*NCCS provides a superior education, as students gain a true appreciation of the value of learning the academic skills & knowledge needed for future success and opportunities of developing leadership & dynamic personality. Upon completion of +2, our student will have acquired the characteristics needed for to compete the graduation course of Management, Humanities, Public Administration, Chartered Accountancy, IT Management & many more with sure success rate.*

*From the very inception of NCCS, our aim was to equip our student with the best possible high quality education from our well qualified, experienced & dedicated teachers. And our past experience & achievements have proved that all round development of a student is what it counts at the end. Our students have shown outstanding performance with excellent results in the past +2 Board Examination with hundred percent success rate & has been ranked top ten institution of the country evaluated by HSEB.*

*NCCS Higher Secondary School is a sister concern of National College Of Computer Studies which is the best professional & experienced institute is affiliated to Nepal's oldest & prestigious Tribhuvan University is running a graduation course in Bachelor in Information Management.*

*We are excited about the opportunities we have for learning & working together in order to benefit our students of NCCS. We always welcome to those students who wish to pursue further study can join in the NCCS College of Computer Studies for their Bachelor degree in Information Management & is located in the same premises. We believe that student's education is jointly shared responsibilities of college & home. We can fulfill it together. I cordially invite all the parents, guardians to visit our college often & be an active participant in your ward's education.*

*Lastly I would like to thank for your interest in NCCS Higher Secondary School & would like to wish you all the best.*

*Ganesh Man Singh Basnyat  
Principal*
