Reflecting Progress, Celebrating Achievements: NCCS Annual Newsletter

### Message from the Chairman

“Education’s purpose is to replace an empty mind with an open one.”  
– Malcolm Forbes

NCCS, a vibrant community of learners where excellence is a shared pursuit, proudly presents the second edition of its Newsletter. This edition captures the significant happenings and events of the academic session 2081, showcasing the institution’s unwavering commitment to fostering holistic education and adopting global best practices.

NCCS stands apart for its dedication to nurturing well-rounded individuals equipped with the skills, habits, and character attributes essential for success in today’s dynamic world.

Congratulations to the Directors, Staff, and Students of NCCS for their unwavering dedication to fostering a thriving and supportive learning environment.

Here’s to continuing the journey toward greater heights of excellence and success for the entire NCCS community. May this shared pursuit of excellence inspire even more achievements in the future!

Binod Raj Pandey  
(Chairman)

### NCCS: Where the learning begins...

The National College of Computer Studies (NCCS) proudly celebrates its remarkable 23-year journey in Nepal’s education landscape. What began as an IT education center has evolved into a comprehensive institution offering a wide spectrum of education, from pre-school and higher secondary levels to bachelor’s programs.

This transformation is a testament to NCCS’s unwavering commitment to advancing education and fostering excellence. Guided by the enduring motto, “Working towards excellence,” NCCS has continually strived to shape a brighter future for its students and the nation.

### Looking Ahead

NCCS is committed to empowering every student to unlock their full potential and embrace lifelong learning. By fostering a culture of excellence, innovation, and compassion, we aim to prepare our students to thrive and make meaningful contributions to the world.

### Outstanding Performer – Congratulations to Krishna Shah

Our heartfelt congratulations to Krishna Shah, a student of the NCCS 2080 Batch, for achieving a G.P.A. of 4.0 in the SEE 2080. We wish him all the best in his future endeavors and look forward to his continued success.

### We are Proud of our Star Achievers of NCCS in Various Inter-School CCAs in 2081 B.S.

Aviral Acharya (Grade 10) and Aanvi Subedi (Grade 9) outshined their competitors to win gold medals, bringing name and fame to their school, themselves, and their proud parents.”

## THE MATH WHIZZERS

Our talented students from Grades 9 and 10 have brought immense pride to NCCS with their outstanding achievements in mathematics! They secured a winning streak in the Math League organized by Budhanilkantha School (BNKS) and excelled further at the Math Olympiad held at Little Angels’ College (LAC). Decorated with gold and bronze medals, merit awards, certificates, and even cash prizes, their success is a testament to their dedication and hard work. Congratulations to our NCCS Math Whizzers!

# NCCS Pre-School

## NCCS Pre-School: A Thriving Hub for Little Learners

Established four years ago, the Pre-School wing of NCCS has grown into a vibrant space, now home to 38 enthusiastic little learners. Recently relocated to a new block, the Pre-School offers a peaceful and secure environment where play-based academic and non-academic activities thrive. In addition to foundational learning, the curriculum integrates rich cultural experiences, including festivals, traditions, dance, and music, fostering holistic growth and development in every child.

At NCCS Pre School learning is joyful and being a preschooler is simply fun

Deepa, Shreya, Jyoti

World Environment Day

Shree Jagat Celebration

Yogi Yoga Day

Children's Day

Garuda Celebration

Anti Celebration

Christmas Celebration

### GOHATAR WATER FUN PARK

Swimming Classes- The kids enjoyed swimming classes along with last day fun time at Gothatar Water Fun Park

### SPORTS DAY- LITTLE CHAMPIONS ON THE RUN

Our little ones raced across the playground with boundless energy and enthusiasm, striving to secure their medals. Their determination and excitement lit up the event, making it a memorable day for everyone.

### MINI MAESTRO ART COMPETITION

The school proudly hosted the Mini Maestro Art Competition for preschoolers, welcoming participants from various preschools.

The little artists thoroughly enjoyed their time coloring and painting, showcasing their creativity and enthusiasm. The event was a vibrant celebration of imagination and artistic expression, leaving everyone inspired by the young masters' talent.

### FUN DAY AT CHILDREN'S PLANET

Our little adventurers from preschool had an exciting excursion to Children's Planet, where they explored, learned, and had loads of fun! This memorable day was filled with joyful moments and engaging activities that added a spark of adventure to their learning journey.

### MINI FETE AND FUN TIME

The school hosted a delightful Mini Fete and Fun Time for our preschoolers, extending the invitation to other preschools to join in the festivities.

Our preschoolers showcased their skills and enthusiasm in the Fair section, where they engaged guests with interactive games and shared knowledge on various topics. Their creativity and confidence left a lasting impression, making the event a memorable experience for everyone involved.

### CULTURAL PROGRAM- A DAY OF ADORABLE PERFORMANCES

One of the most heartwarming moments was when our little performers danced to the song "Abela Uthe Ma, Bhayena Hai Hatar." Through their delightful performance, they showcased how they spend their days throughout the week, leaving the audience charmed and full of smiles.

# National Creative Co-educational School (NCCS), Chandol

## NCCS: A Beacon of Excellence in Education

Now in its 12th year, NCCS has established itself as one of the leading and well-equipped schools in the region. With a strong emphasis on critical thinking, group learning, outdoor play, co-curricular activities, research-based education, and cultural integration, NCCS continues to provide diverse and enriching learning opportunities. Modern amenities, such as smart boards and projectors,

further enhance the teaching-learning experience. The school's unique approach includes policies like lighter school bags, freshly cooked meals and snacks, personalized attention through special classes, and other thoughtful facilities. These initiatives create a healthier, happier, and more nurturing learning environment, ensuring the holistic development of every student.

### Investiture Ceremony

*Nurturing Future Leaders*

The Investiture Ceremony marks a significant moment as selected student leaders from both junior and senior schools officially assume their roles. This event enhances their decision-making skills, confidence, and sense of responsibility, preparing them for future leadership positions and active participation in the school community.

### Wall Magazine Competition

*Fostering Creativity and Collaboration*

The house-wise Wall Magazine Competition organized by Grade 9 students, encouraged teamwork, artistic expression, and knowledge sharing. Students from Grades 1 to 10 actively participated in designing creative and informative wall magazines, showcasing their ideas and creativity in an engaging way.

### World Environment Day Celebration

*Promoting Sustainability and Awareness*

Students actively participated in a variety of activities, including poster competitions, cleanliness drives, and awareness campaigns. These initiatives encouraged them to adopt sustainable practices and think critically about the planet's ecological issues, fostering a sense of responsibility for the environment.

## Scholarship Recipients for the Current Academic Year

**Dakshya Kumari Som Raj**  
**Scholarship scheme**  
**(Dakshya Kumari Som Raj**  
**Chhatrabriti)**

Generously sponsored by Canadian residents, Mr. Subhash Raj Pandey and Mrs. Manisha Pandey, this special scholarship is designed to provide financial assistance to two deserving NCCS students selected annually through a special committee meeting specific criteria. This scholarship not only contributes toward covering one year of tuition fees but also extends support throughout the recipients' tenure at NCCS, ensuring a seamless and enriching educational journey. We are proud to announce that the scholarship for this academic year has been awarded to Anavi Tamang and Sunaina Shrestha from Grade 1. Additionally, Aahana Biswokarma and Aarya Dhakal from Grade 2 have continued their scholarship journeys, exemplifying their dedication and hard work.

## ACTIVITIES

The school follows a structured set of routine activities for all the students that are incorporated annually into its Co-Curricular and Extracurricular Activities (CCA & ECA) programs. These activities not only motivate and inspire students to strive for excellence but also foster a harmonious relationship between teachers and students. By engaging in these programs, students develop essential life skills, teamwork, and a strong sense of community, enriching their overall educational experience.

- Commencement of Grade 9
- National Paddy Day
- Teachers' Day Celebration
- Bhanu Jayanti Celebration
- Shri Krishna Janmashtami Celebration
- Children's Day Celebration
- English/Nepali Book Talk Competition
- International Yoga Day
- Handwriting Competitions
- Christmas Day
- Maths Olympiad 2081
- English Oratory Competition
- Psychometric Assessment Test (PAT)

### Visits to Various Exhibitions

*Expanding Knowledge and Inspiration*

The school recognizes the importance of exposing students to technology, art, and historical exhibitions, where they can explore innovative ideas, creative projects, and artistic expressions while also gaining insight into various aspects of the nation's defense. These experiences broaden their perspectives and inspire them to think critically and creatively.

### Eye and Dental Camp

*See Clearly. Smile Brightly!*

The health and well-being of NCCS students remain a top priority for the school authorities. Students were delighted to receive professional eye and dental checkups, ensuring their health needs were well attended to by medical experts.

### Educational Excursions

Students from Grades 1 to 6 visited historical sites, cultural landmarks, and natural wonders, enriching their knowledge while connecting classroom lessons to real-life experiences and fostering curiosity.

# Cultural Program

## A Showcase of Student Talent

The school showcased the talents of the students from Pre-school to grade 12. in the National academy hall this Mangsir. The grand event that included dance, drama, music, drawing art and martial arts put up a spectacular show for the audience who were mesmerized by the talents and skills of their own wards.

# Educational Trips

These trips took students across the country's breathtaking natural landscapes, cultural landmarks, historical sites, and wilderness. Through engaging group activities, students not only enhanced their knowledge but also developed teamwork skills. Along the way, they explored, learned, and created unforgettable memories. Grade 10 students enjoyed the trip to Pokhara, whereas Grade 9 students enjoyed the trip to Chitwan.

# Dashain & Tihar Celebration

## The Spirit of Nepal

Our cultural and natural heritages are irreplaceable sources of life and inspiration. NCCS believes celebrating events and festivals in schools have become an integral part of learning and building a strong cultural belief in a child. We envision creating a new generation of conscious young leaders by interweaving enriching learning experiences into the lives of learners.

# AWESOME ACCOMPLISHMENT

The Wrazor Girls Basketball Team has set a remarkable benchmark by winning **105 out of 120 games**, creating a golden era of dominance. Their outstanding performance has earned them seven championship titles and two first runner-ups finishes across eight leagues. Their dedication and commitment to the sport are truly admirable.

Exploring, Learning,  
and Creating Memories

SPORTS  
CARNIVAL

CELEBRATING FITNESS, TEAM  
SPIRIT, AND RESILIENCE

Sports keep both the body and mind active and engaged. Every year, the Sports Carnival stands as the highlight of the school's athletic activities. This year, the grand event took place at the Army Complex, Lagankhel, where our beloved parents joined us in celebrating physical fitness, teamwork, and sportsmanship. The event fostered healthy competition, collaboration, and resilience, making it a truly memorable experience for all.

ACHIEVEMENTS

Spell Bee Competition

NCCS secured Second Position in the Friendly Spell Bee League, winning two contests and finishing as runners-up in three. The two-month event, organized by five schools, promoted teamwork, linguistic excellence, and collaboration among schools and students.

Mini IELTS Competition

Our students displayed exceptional language skills in the Mini IELTS Competition with over 300 participants from prominent schools. 8 out of 10 students of NCCS reached the semi-finals, and Aanvi Subedi from Grade 9 clinched First Position, bringing honour to our school.

Mushroom Cultivation

*The school emphasizes on Practical learning*

Grade 9 students were engaged in hands-on mushroom cultivation as part of their science curriculum, learning practical farming skills and the importance of sustainability while working in teams and experiencing real-world applications of agriculture.

NCCS Reunion Program

*Reunite, Relive, Rekindle*

Graduating Students of SEE batch 2080 were honored during an emotional Reunion program with speeches, performances, and titles, celebrating their accomplishments and inspiring them to step into the next phase of their journey with confidence.

Student's CORNER

Our trip to Chitwan was an unforgettable experience, creating memories that will last a lifetime. The thrilling jungle safari through the renowned Chitwan National Park, the exciting motorboat ride on the Narayani River, and the captivating cultural program featuring local Tharu dances all came together to give us an incredible adventure.

This trip offered the perfect blend of nature, adventure, and culture, making it truly remarkable. Overall, it was an adventure to remember, and I'm already looking forward to next year's tour!

- Saras Basu Thakur (Grade 9)

Enchanted by Pokhara:  
A Journey of Wonder

Our 10th-grade class embarked on a three-night, four-day trip to Pokhara—a place that felt like a symphony of breathtaking landscapes and rich culture. We enjoyed a serene boat ride on Fewa Lake, visited historic temples like Bindhyabasini and Tal Barahi, marveled at the cascading beauty of Devi's Fall, explored the mysterious Bat Cave, found peace at the Shanti Stupa, and hiked to the picturesque village of Dhampus.

This journey left us mesmerized, filling our hearts with unforgettable memories that we will cherish for years to come.

- Siddhika Malla and Swikar Thapaliya (Grade 10)

## NCCS Secondary School (Plus 2) – At Chandol /At Paknajol

Affiliated with the National Examinations Board (NEB) for over 20 years, NCCS has been a trusted institution for quality education. We offer the 10+2 Management stream at NCCS, Paknajol, and both Management and Science streams at NCCS, Chandol. Committed to academic excellence, NCCS nurtures intellectual curiosity, critical thinking, and innovation, empowering students to become ethical leaders and responsible global citizens.

### Enhanced Learning Through Projects and Hands-On Experience

At NCCS, we emphasize project-based learning (PBL) and hands-on practical as essential educational strategies. This approach actively engages students in the learning process, fostering greater interest, participation, and deeper understanding. By applying theoretical knowledge to real-world situations, students enhance their critical thinking, problem-solving, and analytical skills. This practical methodology not only strengthens their grasp of academic concepts but also equips them with the essential skills required for future career success. Additionally, it encourages collaboration, creativity, and adaptability—preparing students for a dynamic and ever-evolving professional landscape.

### Congratulations

AAYUSH GIRI  
GPA 3.86

SAYASTA DAHAL  
GPA 3.90

LUMANTI MANANDHAR  
GPA 3.85

We extend our heartfelt congratulations to our Grade 12 students for their outstanding academic achievements. These remarkable results serve as a testament to the hard work, dedication, and perseverance exhibited by our students, faculty, and staff. More than just academic excellence, these results also reflect the personal growth and resilience each student has demonstrated throughout their educational journey. We are immensely proud of their accomplishments and the character they have developed during this time.

Orientation

Welcome to the Next Chapter

The program plays a vital role in welcoming and orienting new students to our academic community. It provides an excellent opportunity to familiarize students with our curriculum, educational resources, and the wide range of extracurricular activities available at our institution.

Hotel Visit

Explore the World of Hospitality

A hotel visit for our hotel management students serves as a valuable and practical learning experience. It provides students with direct exposure to real-world hotel environments, offering them a firsthand understanding of the various aspects of hotel management. This experience is instrumental in bridging theoretical knowledge with practical application, preparing students for success in the hospitality industry.

Field Visit

Learning Beyond the Classroom

Field visits are a crucial component of our educational program, offering a practical application of classroom learning. These visits provide students with valuable experiential learning opportunities, industry exposure, and skill development. Additionally, they foster cultural and social understanding, promote team building, and support research and data collection efforts, among many other benefits.

### Sports and Cultural Activities

#### Unleashing Talent, Fostering Unity

Sports and cultural activities are essential elements of a well-rounded educational experience. These activities contribute significantly to building a strong sense of community and fostering school spirit. The integration of sports and cultural events not only enriches the vibrancy of school life but also provides students with valuable life skills, instills core values, and cultivates an appreciation for diversity. These experiences play a crucial role in preparing students for success across various facets of their lives. We remain committed to ensuring that these activities continue to be a cornerstone of our educational offerings, providing students with a holistic and enriching environment.

National College of Computer Studies (NCCS), Paknajol

Affiliated to Tribhuvan University (T.U.), National College of Computer Studies (NCCS) at Paknajol provides students with a range of undergraduate courses to further their education since 20 yrs.

- BIM

Bachelor of Information Management
- BHM

Bachelor of Hotel Management
- BSc.CSIT

Bachelor of Science in Computer Science & Information Technology
- BBM

Bachelor of Business Management
- BCA

Bachelor of Computer Application

Through its undergraduate programs, NCCS aims to develop competent and valuable professionals equipped to meet future challenges and excel in all aspects of life. Whether in database management, the hotel industry, information technology, business practices, or computer skills, NCCS is committed to delivering quality education and fostering the growth of students into successful experts in their respective fields.

NCCS has been awarded the “Certificate of Institutional Accreditation” by the University Grants Commission (UGC), ensuring that our students benefit from a quality education that meets national benchmarks.

Orientation | Kickstart Your College Journey: Explore, Learn, and Grow!

The NCCS Bachelor Orientation Programs are thoughtfully designed to ensure a smooth transition for new undergraduate students into university life, setting the foundation for a successful academic journey.

We were privileged to have Prof. Dr. Shashidhar Ram Joshi, Former Dean of the Institute of Engineering (IOE) at Pulchowk, as the Chief Guest for the orientation ceremony. His esteemed presence and insightful address greatly enriched the event, providing students with valuable perspectives from a prominent academic lead.

Bachelor’s students at NCCS recently participated in Hackathons’ offering them a valuable learning experience. These events were designed to enhance technical skills, problem-solving abilities, and innovation. Students collaborated in a competitive yet supportive environment, building teamwork and resilience while developing practical solutions.

Start-Up

The Start-Up program for bachelor students is designed to empower aspiring entrepreneurs by equipping them with the knowledge, skills, and support required transforming innovative ideas into successful startup ventures. This comprehensive program covers a wide range of entrepreneurial aspects, from idea generation to post-launch strategies, fostering the holistic development of students as future entrepreneurs.

Internship Opportunities Shaping the Future

NCCS offers valuable internship opportunities for Bachelor’s level students across various faculties, providing them with real-world experience to complement their academic learning. These internships are available in diverse locations, including Japan, Dubai, and Nepal, allowing students to gain practical insights into their fields while working in international and local environments. The program aims to enhance students’ professional skills, broaden their global perspective, and improve their employability.

Sports and Cultural Activities Celebrating Strength, Spirit, and Culture

Participation in sports and cultural events offers students a wide range of benefits, including improved physical and mental well-being, the development of essential life skills, and the promotion of a positive, inclusive college environment. These activities contribute to students’ personal growth, foster a sense of community, and build team spirit, ensuring a well-rounded and enriching educational experience.

Social Contribution by NCCS Group

The NCCS Group proudly contributed over NRs. 500,000 to the Prime Minister’s Disaster Relief Fund in October 2024 to support those affected by floods, landslides, and inundation. In response to the widespread devastation caused by relentless rains and the displacement of thousands of citizens, NRs. 5,655,000 were deposited into the relief fund on behalf of NCCS, its faculty, and staff. This donation reflects NCCS’s ongoing commitment to supporting the nation during times of crisis. In the past, NCCS has always stepped forward to assist in the wake of natural disasters, reaffirming its dedication to the well-being of the community.

Palaa Magazine

The publication of the college magazine, Palaa Magazine, serves a wide range of educational, creative, and community-building objectives. It provides a dynamic platform for students to express themselves, develop essential skills, and engage with the broader college community. Palaa Magazine not only highlights individual talents but also promotes collaboration, creativity, and the overall growth of the college community.

Japanese Event Participation

The participation of BHM students in the Bon Odori event, organized by the Embassy of Japan, served as a valuable opportunity for cultural exchange. Through their involvement in traditional Japanese dance, students deepened their understanding of Japan’s rich cultural heritage while contributing to the strengthening of bilateral relations during their internship in Japan.

ACTIVITIES

Training/Workshop

At NCCS, College conducts various training programs and workshops to enhance students’ practical skills, problem-solving abilities, and experiential learning. These initiatives also boost motivation, confidence, and industry readiness, preparing students for real-world challenges.

Meet up with Alumni

An alumni meeting fosters strong connections, professional networking, and collaboration among graduates. It supports career growth, mentorship, and knowledge exchange while contributing to the continuous development of both the alumni community and the institution.

Journal

Publishing a journal in bachelor’s programs promotes research culture, academic excellence, and knowledge dissemination. It provides students and faculty with opportunities for research engagement, skill development, and intellectual growth, enhancing the overall academic environment.

Project work & Presentation

Project work and presentations are essential in bachelor’s education, enhancing confidence, public speaking, research, and creativity. They develop critical thinking and problem-solving skills, preparing students for future academic and professional challenges.

Educational Excursion / Field Visits

At NCCS, we emphasize excursions and field visits as essential to holistic education. These experiences bridge academic learning with real-world applications, enhancing critical thinking, problem-solving, and adaptability. They also broaden perspectives and foster personal and professional growth, preparing students for future success.

food fiesta

Savor the flavors crafted by future hospitality leaders!

NCCS organized The Food Fiesta for Hotel Management bachelor students, providing them with a comprehensive learning experience that integrates culinary arts, event management, customer service, and entrepreneurship. The primary goal of the event was to equip students with the skills necessary to navigate the dynamic and multifaceted hospitality industry.
